

Social Investments Policy

Social investments at OMV Petrom are intended to foster the development of the communities in which we operate and of society in general.

All social investment projects are expected to align with the UN Sustainable Development Goals.

1.1. Strategic pillars for social investments and the supported UN Sustainable Development Goals (SDGs)

- **Health:** Support projects that ensure access to quality health care services; support for development of infrastructure (e.g. constructions, medical equipment, maintenance, modern equipment facilities etc.) and using of new technology, campaigns for relevant health and safety issues in Romania and at local communities level (e.g. blood donations campaigns etc.). | Related SDGs: SDG 3 (Good Health and Well-being), SDG 6 (Clean Water and Sanitation for all).
- **Education:** Support initiatives that encourage equal access to quality education; support for national education system (formal and informal learning initiatives), technical and vocational education, infrastructure development, skills development for increasing employability, promotion of gender equality, as well as information campaigns on topics in the energy field, educational events (conferences, debates, roundtables), using of new technology and innovation in this area. | Related SDGs: SDG 4 (Quality Education), SDG 5 (Gender Equality), SDG 8 (Decent Work and Economic Growth).
- **Environment:** Support mainly projects to mitigate climate change, energy efficiency, biodiversity, water efficiency, recycling, planting trees, safety in communities (e.g. prevention, awareness campaigns for reaction for natural disasters etc.), innovation and new technologies aiming to solve environmental issues, awareness campaigns. | SDG 13 (Climate Action), SDG 7 (Affordable and Clean Energy), SDG 15 (Life on Land), SDG 14 (Life Below Water), SDG 11 (Sustainable Cities and Communities)
- **Society and local communities:** Projects and activities geared toward societal welfare and community development, community potential utilization, and quality of life improvements within communities. | Related SDGs: SDG 1 (No Poverty), SDG 10 (Reduced Inequalities), SDG 11 (Sustainable Cities and Communities)
- **Brand initiatives** (sports and culture): While the main focus of our social investments is related to the four aforementioned pillars, some limited projects

in the field of sports and culture can be implemented. | Related SDGs: SDG 3 (Good Health and Well-being);

1.2. Eligibility requirements for selecting social investments projects

1.2.1. Registered non-governmental organizations:

Sponsorships can only be granted to non-governmental organizations registered in the Register of Entities/Cultural Units (approved and organized by Order No. 819/2019 or any subsequent regulation replacing it), which are eligible for tax credits under the provisions of the Fiscal Code.

1.2.2. No political or religious involvement

Political restrictions: Financial support for social investment projects shall not be given to political parties, political candidates and politicians, political campaigns and/or events or to any person or entity acting for the benefit of public officials or for the purpose of furthering political campaigns.

Religious restrictions: Financial support for social investment projects shall not be granted to religious institutions and organizations for the purpose of promoting religious messages.
