

## REQUEST FOR EXPRESSIONS OF INTEREST

### Services Frame Contract Title - “ATEX Maintenance Services – Neptun Deep”

**Reference No: ND\_C&P\_133/ 15.12.2025**

OMV Petrom S.A. is interested in concluding a frame contract for **ATEX Maintenance Services – Neptun Deep Asset**.

Neptun Deep is a proposed offshore natural gas development in the Neptun Deep block, located in the Romanian portion of the Black Sea. The objective of the Neptun Deep project is to develop the natural gas reserves from the field. The gas fields are tied back to a normally unmanned Shallow Water Platform on the continental shelf. Sales specification gas is piped onshore to a Natural Gas Meeting Station, before entering the Transgaz National Transmission System (NTS).

In support of its Neptun Deep Project, OMV Petrom S.A. is seeking a contractor to provide ATEX maintenance services including related spare parts during the operation phase of Neptun Deep project, as required by OMV Petrom S.A. under a Frame Contract on Purchase Orders/Call-off basis.

The Scope of Work for the above referenced frame contract includes:

The maintenance purpose is to ensure 100% operational availability of the equipment located on the Neptun Alpha Platform (NAP), certified for use in potentially explosive atmospheres as defined in Article 2(3) of Government Decision 245/2016, as amended (transposing Directive 2014/34/EU of the European Parliament and of the Council.

CONTRACTOR must carry out assigned inspection and maintenance tasks in a defined duration (one rotation per anno planned) on the offshore platform. Quantities are agreed based on Cost Time Resource sheets.

CONTRACTOR may also be requested to provide spare parts under a defined supply process to COMPANY.

CONTRACTOR and CONTRACTOR’s personnel performing the tasks shall be authorized as stipulated and defined in the Romanian law.

Estimated duration of the Frame Contract: estimated to 5 years.

**OMV Petrom S.A. invites eligible companies to indicate their interest via an Expression of Interest letter attaching a description of the interested company, including any affiliates, contact data/ information (company name, representative person name, email address, phone number etc).**

**Economic Operators (Candidates) who wish to register interest via the Expression of Interest should provide evidence to demonstrate the following requirements as a minimum:**

OMV Petrom S.A.  
Managed in a two-tier system  
tel: +4(021) 402 22 01

Petrom City,  
22 Corallior Street,  
zip code 013329,  
District 1, Bucharest, ROMANIA

VAT Number  
R 159 0082,  
Trade Registry No J1997008302407

Share capital subscribed and paid:  
RON 6,231,166,705.80

1. The Candidate shall demonstrate a form of registration in Romania, showing that the Economic Operator is legally incorporated, that it is not in any of the situations of incorporation annulment, as well as the fact that it has the professional capacity to perform the activities that are the object of the Frame Contract.

Supporting documents are:

To provide the certificates (legible copy) issued by the National Trade Register Office together with the Ascertaining Certificate (“Certificat Constatator”).

2. The Candidate shall demonstrate his capability to perform the specific activities that are in the object of the Frame Contract.

Supporting documents are:

Certificate regarding the capability to perform the specific activities (legible copy) issued by INSEMEX Petrosani GANEx Group, in accordance with MEF/MMES Order no. 1636/392/2007 for the approval of the Regulation regarding the prevention of explosions concerning the design, installation, commissioning, use, repair, and maintenance of technical installations that operate in potentially explosive atmospheres, code NEx 01-06, and with INSEMEX Procedure PSp-NEx-02-2018.

The tender process will be conducted using the SAP ARIBA platform. Companies must ensure they are registered in the SAP ARIBA platform or will register themselves on this platform upon receiving an invitation to register from OMV Petrom S.A., as **this is a necessary condition to participate to this acquisition process.**

After companies are registered in SAP ARIBA platform, a mandatory pre-qualification questionnaire shall be completed in SAP ARIBA by each registered company. Only pre-qualified companies will receive the bidding documents.

**Expression of Interest letters must be delivered in a written form (in English language) to the below e-mail address until 21.01.2026, inclusively.**
