

**REQUEST FOR EXPRESSIONS OF INTEREST**

**Acquisition Title:** Acquisition of TEG-based gas dehydration installation for operation in OMV Petrom facility from Oltenia

**OMV Petrom Reference No:** 67/23.01.2026

OMV Petrom is interested in acquisition of TEG-based gas dehydration, including design, supply and documentation of a complete TEG installation compliant with the operational and process parameters listed below. The selected contractor further to a tender procedure will be required to ensure full compatibility with the automation system (AUT) interfaces relevant to the project.

Parameter	Value
Gas inlet pressure	20–40 barg
Gas inlet temperature	30 °C
Gas flow rate	800,000 Sm <sup>3</sup> /d
Required H <sub>2</sub> O dew point	–15 °C
Gas composition	approx. 98% CH <sub>4</sub>

OMV Petrom now invites eligible companies to indicate their interest in providing the above-mentioned activities. Interested companies should provide information demonstrating that they have the qualifications and relevant experience to perform these ones (brochures, description of similar assignments, experience in similar conditions, etc.)

Any potential joint venture/association should provide the above-mentioned information for all the partners of the association.

All the companies which will express their interest to participate in the procedure organized by OMV Petrom will receive the tender documents and will be invited to submit an offer via Ariba platform.

Further information can be obtained at the address below during office hours (Mo-Tue from 08:00 to 16:30, Fri from 08:00 to 14:00).

**Expressions of interest must be delivered in a written form (by e-mail or fax) to the address below, until 09.02.2026.**

**The Request for Expressions of Interest shall expire after the above-mentioned date.**
