

REQUEST FOR EXPRESSIONS OF INTEREST

Contract Title: **Supply Contract for Chemical Products for Gas Well Liquid Evacuating Activities with Related Services**

OMV Petrom Reference No.: 235 / 20.03.2026

OMV Petrom S.A. is interested in concluding a procurement contract for the supply of chemical products for gas well liquid evacuating activities, together with the related services.

The purpose of the Technical Specification is to procure chemical products for gas well liquid evacuating activities with related services for the Upstream division of OMV Petrom S.A.

Contract duration: 5 years.

OMV Petrom S.A. invites eligible companies to express their interest in supplying chemical products for gas well liquid evacuating activities with related services for the Upstream division of OMV Petrom S.A.

Interested companies shall provide information demonstrating that they have the relevant qualifications and experience to perform the contract (brochures, description of similar contracts, experience under similar conditions, etc.).

In the case of a consortium, the above information must be provided for all consortium members.

All companies expressing interest in participating in the procedure organized by OMV Petrom will be invited to submit an offer through the SAP ARIBA platform. Companies must ensure that they are registered on this platform, or that they will register after receiving the invitation from OMV Petrom, as this is a necessary condition for participating in the procurement procedure.

Companies will receive the tender documentation and will be invited to submit their offer.

Additional information can be obtained at the address below during working hours: between 08:00 and 16:30.

Expressions of interest must be submitted in writing to the email address below (in person or by e-mail) no later than 30.03.2026, 12:00.

This Request for Expression of Interest will expire after the above-mentioned date.
