

**Request of expression of interest
contract:
“Supply of spare parts for Howden offshore compressors”**

OMV Petrom reference number: 566/July 2nd, 2026

OMV Petrom S.A. is interested to conclude a contract for: “Supply of spare parts for piston compressors driven by 160 KW and 500 KW electric motors” for Exploration and Production Division, in order to maintain these types of equipment in continuous operation.

Contract duration: 3 years

OMV Petrom S.A. invites eligible companies to express their interest in supplying the above-mentioned parts.

Interested Companies should provide information demonstrating that they have relevant qualifications and experience in implementing the contract (brochures, manufacturer declaration/distribution authorization, certifications).

All companies that will express their interest to participate in the procedure organized by OMV Petrom SA will receive the documentation and will be invited to submit their offer via ARIBA platform.

Supplementary information could be obtained from the below e-mail address between 08:00 and 16:30 hours.

Expression of interest should be sent in written form to the below address (by e-mail) until **July 16th, 2026 at 14:00 hour**.

This Request of expression of interest will expire after above mentioned date.
