**REQUEST FOR EXPRESSION OF INTEREST**

**Contract Title: "Provision of Electrical Wireline Logging Services — EWL"**

**Reference No.: 686/03.08.2026**

**OMV Petrom S.A.** (hereinafter referred to as the "**Company**" or "**OMV Petrom S.A.**") intends to conclude a Frame Contract for the provision of **Electrical Wireline Logging Services (EWL)**.

The Frame Contract is expected to have a duration of **3 years** from the Effective Date, with the possibility of extension, subject to the Company's operational needs and the contractual provisions.

The purpose of this **Request for Expression of Interest (EOI)** is to identify specialized, qualified and experienced companies to be considered for the future tendering process for the requested services.

The required services will support OMV Petrom's onshore and offshore drilling and workover activities in Romania, including both **open hole** and **cased hole** electrical wireline logging operations.

The services may include, without limitation:

- Planning, engineering support and technical recommendations for each well;
- Provision of qualified personnel, equipment, tools, wireline trucks and associated support services;
- Mobilization, rig-up, operation, rig-down and demobilization;
- Open hole and cased hole electrical wireline logging services;
- Logging data acquisition, QA/QC, reporting and processing and interpretation when required;
- Delivery of final logs and reports in Company-required formats;
- Participation in planning meetings, pre-spud meetings, daily operational meetings, After Action Reviews and Service Quality Meetings;
- Provision of backup tools and contingency equipment;
- Management of radioactive sources, where applicable, in full compliance with Romanian legislation and CNCAN requirements.

The services shall be performed in accordance with the applicable Frame Contract, the Company's well programmes, Company standards, applicable Romanian and EU legislation, and recognized international oil & gas industry standards.

OMV Petrom S.A. now invites eligible companies to express their interest in providing the above-mentioned services.
Interested companies should provide information demonstrating that they have the required qualifications and relevant experience to perform the contract (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.)

During the tender process, companies that do not prove their capability will be considered non-compliant and their offer will not be considered.

Any potential joint venture/association should provide the aforementioned information for all the partners of the association.

Further information can be obtained at the address below during office hours 08:00 to16:30 hours.

Expressions of interest must be delivered in written form to the address below (e-mail) no later than **18.08.2026, 11:00 a.m., Romania time** and must include contact data/ information (company name and address, representative person name, email address, phone number).

The Request for Expression of Interest shall expire after the aforementioned date.
