

REQUEST FOR EXPRESSION OF INTEREST

CONTRACT TITLE: “PROVISION OF ONSHORE SEISMIC SURVEY SERVICES”

Reference No.: 729/10.08.2026

OMV Petrom S.A. (hereinafter referred to as “**Company** or **OMV Petrom SA**”) intends to conclude a Frame Contract for the “**Provision of Onshore seismic survey services**”, for a duration of 3 years with the possibility of extension, subject to the Company’s operational needs and the contractual provisions.

The purpose of this Frame Contract is as follows:

- Conducting agreed and appropriate in-field testing to optimally select acquisition parameters.
- Recording high-quality, high-fidelity 2D or 3D seismic data in the specified area.
- Ensuring that the operations and recorded data meet the Company’s technical and HSE specifications and standards.
- Providing all specified deliverables to the Company according to a timely and organized plan.

The guiding principle for acceptance of the Contractor’s services will be the successful acquisition and delivery to the Company of high-quality 2D or 3D seismic data and all ancillary data, suitable for further processing and interpretation of the targets defined herein.

The data must be free from any errors that could impede the achievement of the Company’s geophysical objectives. Such data must be acquired in accordance with the modern and current practices and standards of the international geophysical industry.

The geographical scope for the “**Provision of Onshore Seismic Survey Services**” under the Frame Contract is Romania (onshore).

The Company intends for these services to be performed by specialized Contractors in compliance with all applicable laws and standards, including, but not limited to, regional, international, and Company standards.
